

GOLD CUP

21st - 25th July 2021

Urhøj Strand Camping
Urhøjvej 14, 4480 Store Fuglede

Dear all,

We have found this gem of a location for this years Gold Cup, and are very much looking forward to welcoming all the NEWF-owners to Urhøj Camping.

The owners Lone and Alex, have been extremely accommodating in meeting all our requirements.

The agreement we have made runs from Tuesday 20th - Monday 26th July

On their website: www.urhoej-camping.dk you will find prices, list of services etc.

Camping has to be booked by email to: feilskov@urhoej-camping.dk - Please mention booking code: GC2021.

Payments must be made directly at the campsite upon check-out. The following special conditions apply:

- Dogs stay for free during Gold Cup
- There is no pitch-fee when attending Gold Cup
- Free Wi-Fi
- Free entry for exhibitors and guests who are visiting for the day
- Use of washing machines and driers, electricity, shower facilities and purchases of a personal nature will be charged according to list prices.

We have reserved the following areas: Trekanten, Tyren, Vægten, Vandmanden, De gamles Hjem samt K. Sørensens Hjørne (please see the map) until **31st March 2021**. From then onwards regular guests will also be able to book here.

If you are a group wishing to stay together in the same area, please do mention this when booking.

As on most campsites, quiet has to be respected after 23:00. The owners do however appreciate that some guests would like to sit and socialize later than that. If you are one of the "nightowls", then please ask to be booked in to the area called "K. Sørensens Hjørne".

Every morning it will be possible to buy freshly baked rolls and homeroasted coffee at the campsite cafeteria. You are also able to order "dish of the day" for dinner - please place your order the day before.

If you would like to BBQ, then you can also order "BBQ-packs" consisting of various meats. Homemade burgerbuns are also available.

Please note, that it's strictly prohibited to wash your dogs in the showercubicles. Violation of this will result in a €100 fine per. dog.

Opposite the showerblock there is a paved area with access to a waterhose, which must be used if you wish to wash your dog(s).

The exhibition area will be down along the beachfront, where we will also be conducting the water trials.

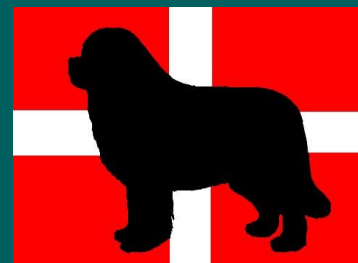

We are so looking forward to welcoming you all to Gold Cup 2021!
